

Team ID	PNT2022TMID15205
Project Name	INVENTORY MANAGEMENT SYSTEM FOR RETAILERS

IBM CLOUD REGISTRATION :

The screenshot displays the IBM Cloud dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and the user's account (Maheshkumar P's Account). Below the navigation bar, the main content area is titled "Untitled" and features a "For you" section with several recommended resources. These include "Build" (Explore IBM Cloud with this selection of easy starter tutorials and services), "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "IBM Watson Internet of Things Platform", "Build a Virtual Private Cloud (VPC)", "Incorporate DevOps into your process", "Get started with Watson Discovery", and "IBM Watson Knowledge Catalog". Each resource card provides a brief description and a "Getting started" button. Below the "For you" section, there are four main panels: "News" (listing recent updates like IBM Cloud Satellite New Pricing), "Recent support cases" (with a "View all" link), "Planned maintenance" (with a "View all" link), and "IBM Cloud status" (showing a world map and "No issues" status). At the bottom, there are sections for "Usage" (with a "View usage" link) and "User access" (with a "Manage users" link and a form to enter email addresses for user setup).
